LABELTEX S.R.L.

Applicant

Opposition No. 91161944

U.S. PATENT & TRADEMARK OFFICE MAIL ROOM #32

**CONSENTED MOTION FOR ADDITIONAL EXTENSION OF TIME**

Opposer hereby moves that the date for the close of the Discovery Period, presently 26 November 2007, be extended to and including 10 January 2008, and that the trial dates be reset as follows:

	<u>Date Presently Set</u>	<u>Reset Date</u>
Discovery period to close	26 November 2007	10 January 2008
Testimony period for party in position of plaintiff (opening thirty days prior thereto)	24 February 2008	9 April 2008
Testimony period for party in position of defendant (opening thirty days prior thereto)	24 April 2008	8 June 2008
Rebuttal testimony period for party in position of plaintiff (opening fifteen days prior thereto)	8 June 2008	23 July 2008

This Motion is not made for improper purposes or to delay the proceedings unreasonably. Both

parties have served extensive discovery requests and responses thereto and are engaged in and contemplate taking additional discovery in support of their respective contentions and defenses.

Applicant's counsel has requested an extension of the time within which to confer with Applicant regarding and prepare its responses to Opposer's outstanding Second Set of Interrogatories and Third Request For Production of Documents. Opposer does not object to the requested extension but anticipates a need for additional time in which to review Applicant's interrogatory answers and documents, and, if necessary, seek production of further answers and documents in response to Applicant's submissions. To achieve all of these goals, the present discovery cut-off date, 26 November 2007, must be extended. Applicant's counsel has consented to a 45-day extension with the understanding that unexpected circumstances may require the parties to seek a further extension of the discovery period and trial dates.

Respectfully submitted,

---
